## REMEMBER!

In looking for the letters which are included in each pack-  
 age of Sunshine Butter that the letter is between the out-  
 side and the carton, not between the carton and the butter.

We have received numerous complaints from people who  
 have been unable to find the letters in their butter, but if  
 you exercise care in looking for these we are sure you will  
 find them, as we have packed one letter in each package of  
 Sunshine Butter since April 13th. Our shipment of spoons  
 has now arrived and we suggest that those holding the re-  
 quired number of letters (five of any kind) and who desire  
 the beautiful spoons, call at our office for them.

## ALBUQUERQUE MAN HAS RELATIVE IN VERA CRUZ

J. B. Herndon of State National  
 Bank Has Personal Interest  
 in Events at Front Today.

J. B. Herndon, president of the  
 State National bank, is feeling an  
 especial interest in the news from  
 Mexico today, since he has a brother-  
 in-law, F. J. Dunkerley, residing in  
 Mexico City. Mr. Dunkerley is man-  
 ager of the Mexico City Banking Co.,  
 a large American banking institution.  
 The last word Mr. Herndon had  
 from his brother-in-law was to the  
 effect that he had rented a house in  
 Vera Cruz and expected to send his  
 family there. He was willing to take  
 chances for himself in Mexico City  
 and intended to remain. It is Mr.  
 Dunkerley's opinion that a majority  
 of the better element of the people  
 of Mexico will welcome intervention  
 on the part of the United States.

White shoes are very popular this  
 season. We have a big assortment in  
 both high and low cuts in canvas and  
 nubucks. Come and see them. C.

## The Value of Your Eye Glasses

Lies not in the fact that they repre-  
 sent so much merchandise  
 Eyeglasses which do not correct the  
 eye faults in YOUR eyes are WORTH-  
 LESS to YOU, and your glasses are  
 worthless to ANOTHER PERSON.  
 So you need a REAL VALUE of  
 glasses depends upon the SKILL of  
 the MAN who FITS them.  
 There are HUNDREDS of possible  
 lens combinations, but ONLY ONE is  
 EXACTLY RIGHT for you.  
 MY BUSINESS is to apply the  
 principles of Optometric Science to  
 determine the exact refractive condi-  
 tion of YOUR EYES and adapt the  
 proper Lens Combination to give Per-  
 fect Vision Without Strain.
